

Just imagine...

**A beautiful body.
An attractive face.
Shapely breasts.**

All part of the spirit of you, perfectly balanced. The truest expression of what makes you uniquely you. In considering aesthetic surgery, it's essential to do your research and find the right surgeon; one who is qualified, experienced and with whom you feel comfortable. All three, nothing less.

Welcome to Shape – the clinic of Dr Steven Liew FRACS.

In relaxed, private and spa-like surroundings, a place where you can feel completely at ease, Shape offers you the full range of the most advanced surgical and non-surgical procedures available.

In our mediSpa environment you and your guests can also enjoy the rejuvenating benefits of a host of medically-oriented treatments, from massages and acupuncture to detox skin treatments.

Dr. Liew has founded his state of the art clinic with the philosophy of "providing the most advanced and best quality surgical care with the utmost consideration and dignity."

You could not be in better hands.

For a personal consultation with Dr. Liew to discuss your face, breast or body shape, please contact us.
